PRINCIPAL

REV. BROTHER J. C. BATES

Principal of Vancouver College

Bro. Bates, a native of Halifax, N.S., arrived from the U.S. to take over as principal of V.C. in Sept. '54.

He was Director of Personnel Services and Instructor in Psychology at Iona College, New Rochelle, N.Y. prior to coming here. He was educated in St. John's Nfld., and Halifax before attending Fordham University in New York where he received the degree of Bachelor of Science in Education.

He obtained his degree of Master of Arts in Guidance and Personnel, and took post-graduate work for his doctorate at St. John's University and New York University.

His teaching career started in 1938 when he was first assigned to Sacred Heart School in Manhattan. Successive assignments took him to St. John's, Nfld., for eight years, New York for four years, and finally to Iona College until his appointment brought him to Vancouver College.

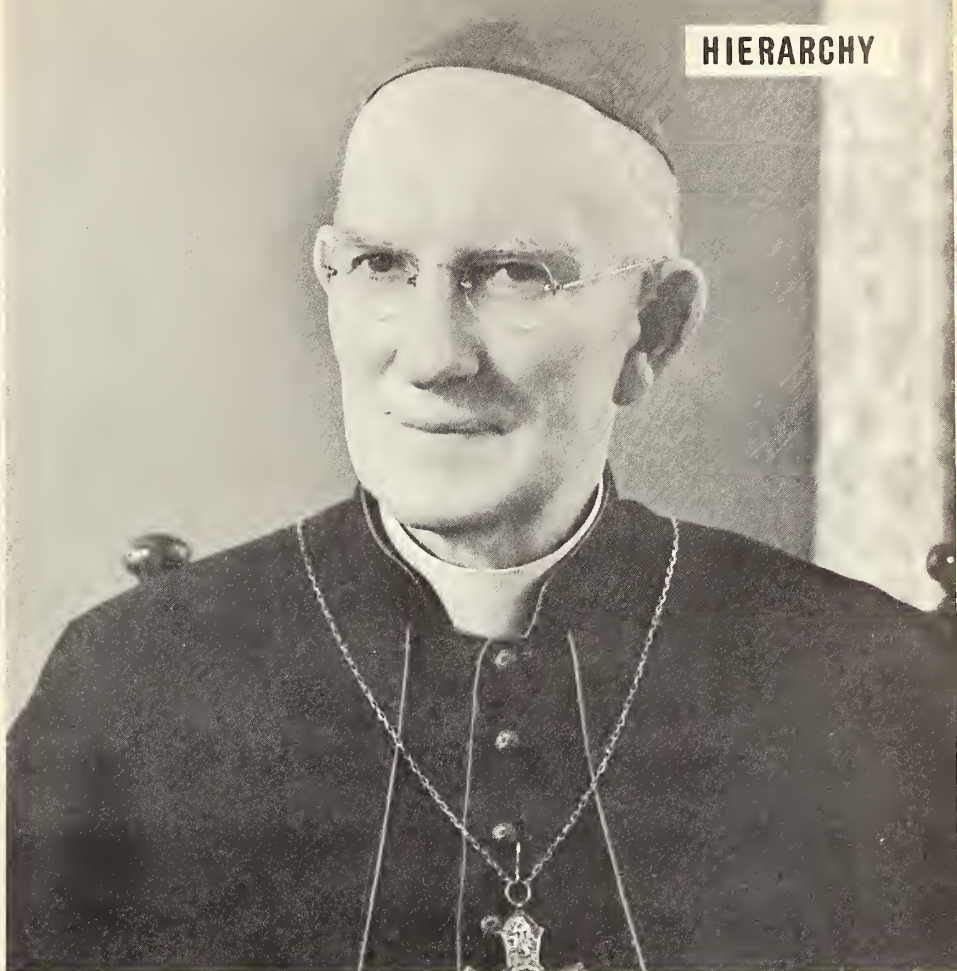

His Excellency, Most Reverend
WILLIAM MARK DUKE

Archbishop of Vancouver

Archbishop Duke was consecrated Bishop of Fasis and co-adjutor to the late Archbishop Timothy Casey of Vancouver in his native St. John on October 18, 1928. The new bishop said his first Mass in St. Patrick's church at Twelfth and Main on November 23, 1928.

He dedicated himself to assisting his superior who was in failing health. When Archbishop Casey died in 1931, Archbishop Duke was confronted with the responsibility of planning for the religious care of a diocese that was to have the greatest growth of any group of parishes in Canada during the next two decades.

On October 4, 1953 Archbishop Duke celebrated his Silver Jubilee, a quarter century of service to the archdiocese of Vancouver, Divinely entrusted to his care.

His Excellency, Most Reverend
MARTIN JOHNSON

Co-Adjutor Archbishop of Vancouver

Vancouver's newly appointed Co-Adjutor, the Most Rev. Martin Johnson, D.D., was formerly Bishop of Nelson, B.C.

Born in St. Francis Parish, Toronto, he graduated from St. Michael's College High School and was ordained to the priesthood June 24, 1924 after attending St. Augustine's Seminary. In Toronto he served at St. Helen's Parish and Weston before being bursar of St. Augustine's Seminary. At the time of his appointment as First Bishop of Nelson, July 18, 1936, he was Chancellor in Spiritualibus of the Toronto Archdiocese.

Archbishop-elect Johnson was consecrated in St. Michael's Cathedral by His Eminence James Charles Cardinal McGuigan on Sept. 29, 1936 and arrived in Nelson Oct. 22 of the same year. He came to Vancouver to be formally installed in March, 1955.

Very Reverend Msgr.
M. T. NICHOL, V.G.
Pastor, Sts. Peter and Paul

REV. FATHER J. REITER
Assistant

Vancouver College has no chaplains it can really call its own, but two priests of Sts. Peter and Paul Parish, Monsignor Nichol, the pastor, and Father Reiter, his assistant, have ably filled this position.

Monsignor, a native of Saint John, New Brunswick, attended St. Joseph's University there and was ordained at Saint John in 1925. In 1937, five years before coming here, he was named Papal Chamberlain, and in 1948, Domestic Prelate.

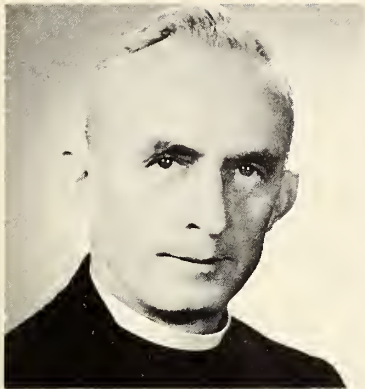

Later in the same year he was selected as Vicar General of the Archdiocese of Vancouver.

Father Reiter, who hails from Tramping Lake, Sask., attended Laval University, Quebec, and was ordained here in Vancouver. Father came to Sts. Peter and Paul in 1952 to succeed Father Keilty.

Both take a great interest in the school. Every Thursday preceding a first Friday finds them hearing confessions of the entire student body. They are always active for our spiritual welfare and in this we are extremely grateful.

SENIORS

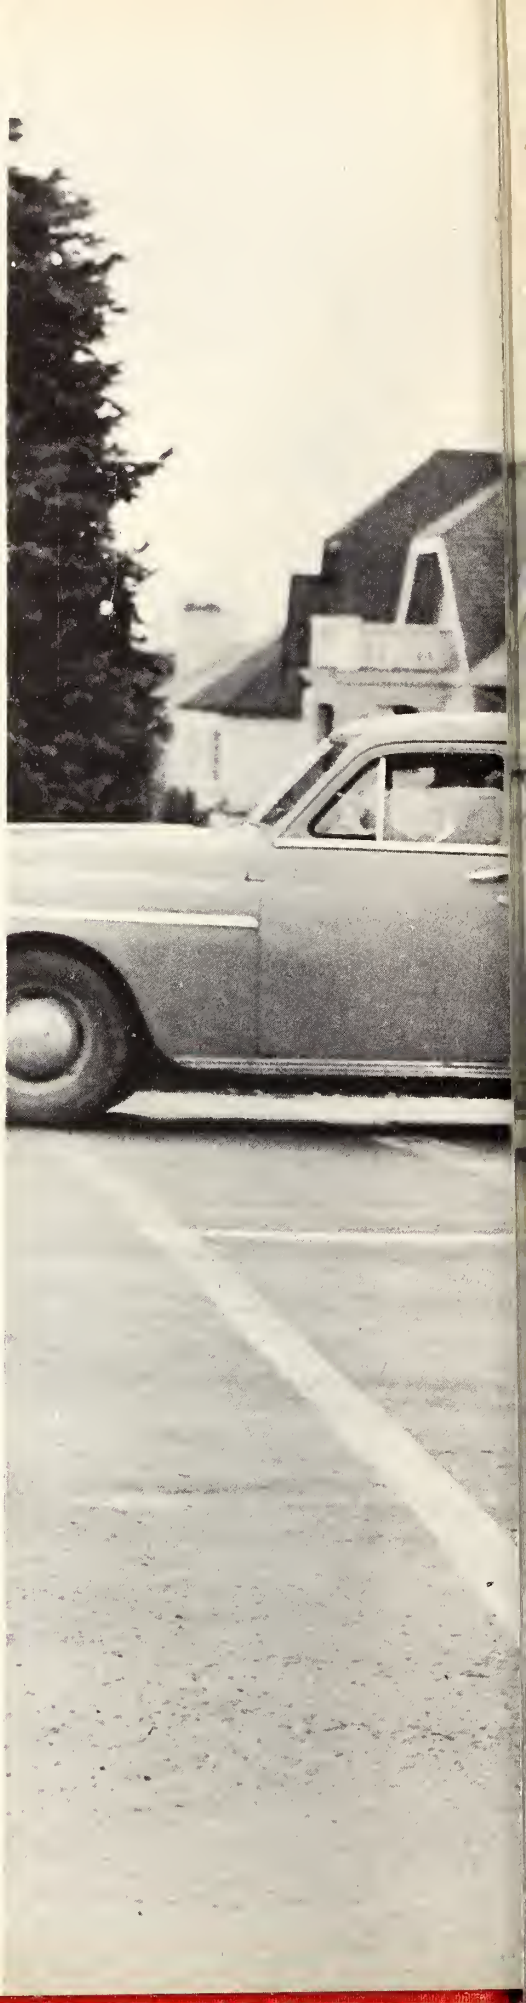

ON THE RUN as he leaves his house for school, the senior (Henri-Lapointe) deftly hangs on to his books with one hand while he finishes eating his breakfast with the other.

THE SENIOR like most College students must keep a rigid time schedule. Here he is seen boarding the bus. Being alone we conclude he is late.

THE LAST QUARTER MILE Emerging from the bus the senior walks swiftly across 41st. He has no worries about connections now, and only has to worry about his regular English quiz.

THE SENIOR

Re-enacts His Usual Day For You.

It is only fitting that the reader should know the reasons behind the selection of the Senior. The Senior's name is Henri Lapointe. He is a member of Grade 12-A, is one of the most active and intelligent students in College. He was chosen at the same time the elections were held for the Student Senate. The names of the senior class students were placed on a board and both classes voted for whomever they wished. The winner was used as the subject of our story, and the representative of the fourth-year pupil.

We tried our best. Therefore, we hope that the average senior's day will be conveyed to all with realism. It is not only his story, it is every senior's story.

CLASSES

AERIAL VIEW OF VANCOUVER, VANCOUVER COLLEGE CENTRE FOREGROUND

Motion and Vigor Symbolize 11-A

Vim, vigour and school spirit make the "A" class of 1956 the most active group in the high school. Every school undertaking, whether social, academic or sporting saw 11-A well represented.

The leading VeeCee salesman hailed from 11-A. Ray Torresan led all competition in the "Collegian's" ad campaign. All other activities from the Glee Club to the Drama group received enthusiastic support.

The athletes from our Juniors gave their untiring efforts to put the College teams in the winning circle. The Varsity football squad was represented by such stalwarts as Joe Clark, Mike MacDonald, Bob Mullin and Vince Ivancic. J.V. basketball was headed by Carl Muldowan and Bob Macdonald.

With such mobility and sportsmanlike conduct, the spirit of the Irish will not decrease.

"STRETCH THOSE LEGS." Terry McInnes and Mike Calkins make final attempt at 5 seconds to 9. Failure to be on time required an admit slip from the office.

LAST-MINUTE BRUSH-UP on French lesson leaves Room 206 Completely silent. (Rear) G. Field, G. McKenzie, R. Torresan, B. Hamelin, D. Johnson, M. McCue.

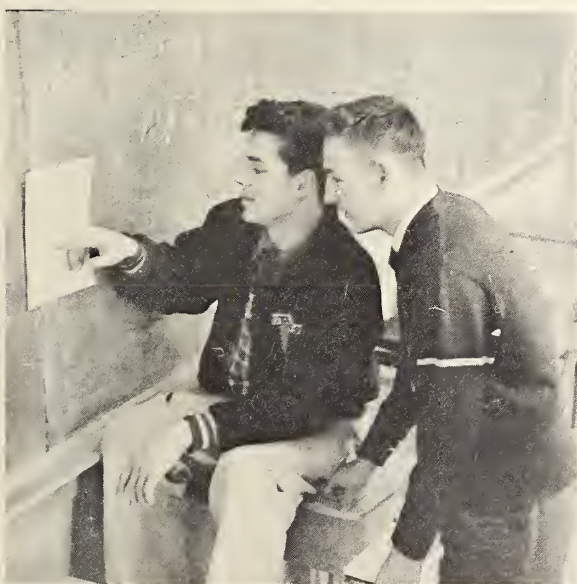

"IT'S MADDENING," replies Carl Moldowan as he relates facts of a foul shot to the Howes, Pete and Paul.

"HOLY COW, ANOTHER 80!" Dan Seymour wistfully grins. C. Moldowan attempts to learn a theorem.

Top Row l-r: Grant McKenzie, Gordon Field, Robert Mullin, Richard Johnson, David Wright, Michael McCue, Vincent Ivancic. 2nd Row L-R. Terry McInnis, Barry Hamelin, Philip Cotter, Joseph Clarke, Remo Torresan, Donald Mueller, Mike MacDonald, Bob Kennedy. (3rd Row) Paul Howes, Mike Calkins, Carl Moldowan, J. Bergot, P. Howes.

BOB MULLIN points out daily droodle to Bob MacDonald. Daily Dope listed schools' daily activities.

"NOT ANOTHER MARK MORE." Br. Finch makes decision emphatically to pleading J. Clarke, B. Kennedy.

Top row, l-r: Nicholas Keenan, Niall Martin, Franklin Oduber, Bob Kline. Second row, l-r: Paul Rose, William Sommerville, Robert Miller, Grant Paynter, Carl Brandes, Alan Freeman, Bill Winter. Front: Geoffrey Edwards, John Dickenson, Tom Yipp, and James Clutchey. Franklin Oduber took a leading part in the play "Trial by Jury".

PREPARATION of oxygen provides much-needed lab experience for proficient chemists. (L-R) Mike Wyatt, Donald Mueller, Duncan Gurton, Dan Bileski, and Norm Oddy readily tackle problem in serious fashion.

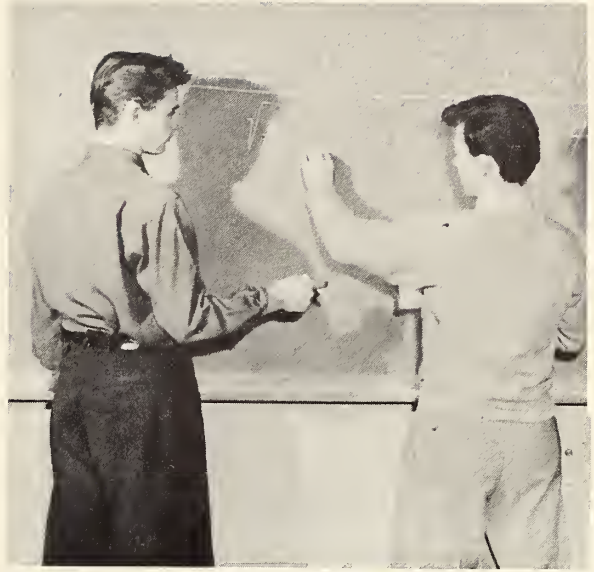

11-B In The Spotlight

The "B" class of 1956 have reached a milestone in their education. Within the year they will head the reins of the VeeCee student body. As the senior class these prospective citizens will bear the responsibility of setting the example for the College's underclassmen.

Our juniors have come a long way since entering room 205 in September. Academically, II-B carries one of the most difficult curriculams in the high school. Math and chemistry provide ample challenge to the honour students. The top scholars hailed from II-B. Mike Wyatt and Terry Blair led the school with their outstanding marks in the classical subjects.

Dan Bileski, Niall Martin, Norm Oddy and Franco Oduber represented II-B as regards to the Student Senate. Their contributions were immeasurable.

In the athletic field, Bill Somerville and Bill Winter have helped the Varsity football squad.

COLIN CHASE and GARY COOPER tackle logarithm problem with grim determination. Logs proved to be a pet peeve for the Einsteins of Bro. Hickey's maths class.

Top row, l-r: Joseph Baachmeier, Alain Notte, Charles McGilvery, Dunc Gurton. Second row, l-r: Ernie Puil, Michael Wyatt, Terry Blair, Norm Oddy, Dan Beliski, Ray Walz, Bill Radelet. Front, l-r: Seamus Keilty, Gary Cooper, Thomas Moon, Theodore Head. The picture was taken beside the Vancouver College Alumni Gymnasium.

Bottom: left to right: R. Bourgeois, B. McGill, L. Lavigne, A. Alberts, R. McGinnis. 2nd row: T. Sebal, P. Boucher, K. Chamberlain, L. Ius, G. Terhune, P. Joyce, B. Simpson, J. Chubaty, W. Markle. 3rd row: G. Hepworth, T. Colgur, T. Mackie, M. Dagenais, D. Flahiff, G. McDonald. D. Flahiff was a member of the Student Senate.

IN FRONT of principal's office waiting for absentee slips are Paul Joyce, Don McConachie and Tom Sebal.

Looking In On 10-A

The sophomore class of 10-A is justly proud of the many members it has contributed to the various activities. Harry Worthington, Bruce Simpson, Ray Contoli, Leo Pourier, Tony Alberts, Mike Dagenas, George Terhune, John Chubaty gave their talents to the Glee Club while the Drama Group was ably assisted by Leo Savoie, Leo Petty, Gerry Hepworth, Tom Sebal, Bob McGinnis. The Band was made more harmonious by Brian McGill, Paul Boucher, Armand Giroday, Art Scorse, and John Pollock. Harvey Eddy and Don Flahiff, also cheerleaders, Mike Fox, Tom Muse, Frank Doyle, Gordon Lawe, Harry Sanford, Pete Durkin, Throne Colgur and Don McConachie represented the class in the Glee Club. This class also contributed many students to the sports field. Pete Durkin, Leo Ius and Leo Petty were on the Varsity football team, while Tom Muse and Tom Sebal the J.V. The J.V. basketball also received players from this class: Leo Petty, Paul Leclaire, and Gerry Hepworth, was manager.

WITH SMILES of satisfaction, Ken Chamberland, George Terhune, Lou Langne and Tony Alberts discuss day's events as they leave school a little late. Those jugs!

STOPPING at the bulletin board before the first period, Rick Abbott, Ken Dumont, Don Rose, Jim Condy, John Oster, and Howard Gougeon discuss the coming events.

Capsule View of 10-B

Hustle is synonymous with this sophomore class, which contains some of the most alert students both intellectually and athletically. In J.V. basketball John Oster, Ray Brunelle, Fred Carney, Rick Abbott and Dick Bordewick represented the class. Jim Condy and Fred Findlay gave the school a lift in boxing as well as in the art activity. At the same time virtually everyone took part in the intramurals and activities.

The band was ably assisted by Don Kennedy, Chris Lane, Ian Midgley and Dennis Grimmer, while Gary De Jong, Gary Gagnon, Warren Kusch, Bob Russell, Jerry Roy, Angus McNeil gave their talents to the Glee Club. The Drama Club was helped by the efforts of Gordon Shea, Bruce Richer, Bill Pedersen, Barry Kelly, Gerard Ehnann, Bill Biggin, Owen Foran, Frank Laurillard, and Frank Cyr.

The artists in the class were Ron Ducharme, John Oster, Ray Brunelle, Tony Sehn, Al Graber, Rick Abbott, Dick Bordewick, Mike McLean, Don Rose, Garry Mayer, Paul Belanger, Fred Carney, and Ken Dumont. In intellectual achievements 13 distinguished themselves with a place on the Honor Roll; very praiseworthy indeed.

BOTTOM, l-r: F. Findlay, A. Graber, J. Oster, R. Brunelle, G. Mayer, C. Lane, W. Kusch; 2nd row: D. Rose, J. Condry, R. Abbott, T. Sehn, F. Carney, R. Dumont, A. McNeal, P. Balanger; 3rd row: D. ON LOCKER, final sentence of homework is completed by Tom Bird.

ASSEMBLING BOOKS before leaving school, Fred Carney, John Abbott, Paul Belanger, Mike McLean, Ray Brunelle, and Tom Bird chew the fat and retell the day's happenings. Actually it is never this peaceful at the lockers.

Glimpsing At 9-A

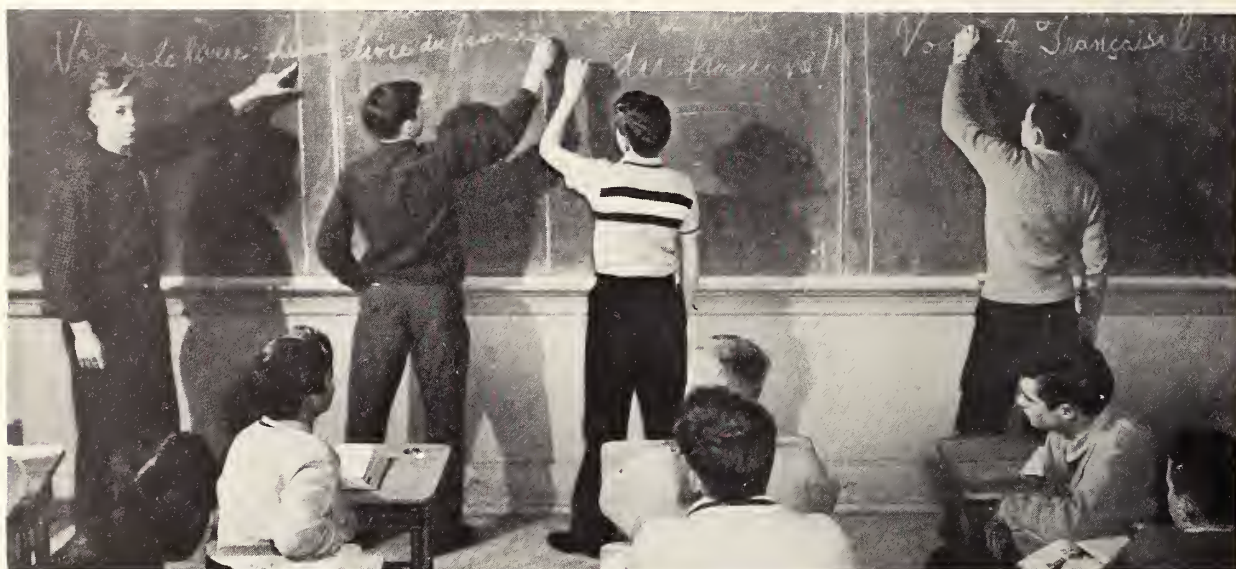

On that fatal day in September '54 when V.C. opened its doors for another school year, 40 expectant faces gathered outside Room 113, waiting for someone to open the door. These 40 faces were freshman class 9-A.

These boys, like all good freshmen, take a greater interest in sports and activities than schoolwork, although they all seem to scrape through on the exams. Robin Bailie, Mike Macauley and some half dozen others are in the Drama Club while Bill Schuss is in the Art Class. The Glee Club has claimed Don Baxter, Tom MacNullen, Don MacNeil and Allen Brodie. Ron McKinnon has chosen the newspaper for his activity.

9-A is well represented in sports with Peter Brown, Bob Vanderhoef, and Tom MacDonald.

A LITTLE EXTRA TIME on math before class is help to Dave Macauley.

Scanning 9-B

Buried in the forbidding caverns of the third floor, deep among the rubble of desks and books, are 37 freshmen who harass their teachers and the classes next door from 8:30 to 3:10 Monday to Friday.

When the remnants of last year's Grade 8 came back after the summer holidays they found quite a few new boys in their class but they soon got to know each other very well.

9-B is very active both academically and sportwise. On the academic side, Paul Whalen and Jim Dukowski are the bright lights, while Ron Coolin and Tony Whitty are the sportsmen.

The class is starting its first year of foreign languages, taking both Latin and French, while math and science are getting a little harder.

On the whole, the prospects for the Class of '58 seem to be pretty good and we hope they are.

YEAR BOOK

The first thing you will notice when you see the new yearbook is the Kodachrome cover, first of its kind in B.C. But the improvement does not stop there. Great pains have been taken to make the yearbook perfect in all ways; layout, pictures, captions and writeups have all been given close attention. With their new equipment the photography staff have turned out pictures of the highest quality. Paul Edwards, the yearbook editor, put in a lot of extra work and did a very commendable job of distributing work among the different staffs. Each boy was made entirely responsible for his own section and this worked out admirably.

Before the yearbook could even be started the members of the business staff, under the

leadership of Archie McDonald, had to put in a lot of work seeing to the finances of the book. They had the momentous task of raising \$4,000. This was done chiefly by selling ads, which was made somewhat easier by the new, more attractive ad section which includes pictures, and which features ads placed in alphabetical order. The various staffs then set about drawing up a dummy yearbook under the direction of the layout editors, E. La Riviere and J. Cox. As pictures came in, captions had to be thought up and finally the writeups. These were sent to the printer for the "brown copy," which had to be slightly revised before the final copy could be printed.

The quality of this year's yearbook was made possible chiefly by the constant supervision of Brother Hickey who had extensive experience in handling yearbooks before coming to the V.C.

SENIOR SECTION was looked after by Pete Cuming and Shaun Williamson using "hunt and peck" system.

Newspaper Expands

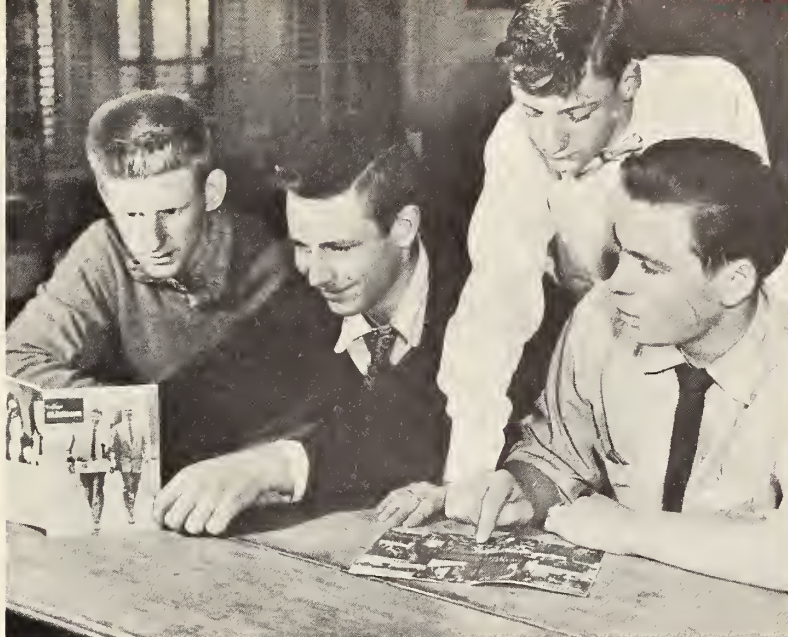

The beginning of the '54-'55 school year saw the school paper taking another step towards its improvement and expansion. It has come a long way since the first volume last year. The two most noticeable improvements were the changing of the paper's name to the "College Clarion" and the adoption of regular newspaper size and format. Both of these changes were made possible by the separation of the school paper from the year-book. Due to the excellent student response, the editors produced six issues throughout the year. The final issues saw the "College Clarion" emerge as a peppy little magazine, which format it will probably retain for many years.

In charge of this rapidly improving journalistic endeavor is Bill Groom of 12B. He and Bill Cain have done a job deserving of praise. Bro. Cobb moderated this lively activity.

In the paper one will find a great variety of new and interesting articles, such as Bill Cain's "Spotlite on Seniors" and Ron McKinnon's "What Do You Think." And we even have a cartoon strip—"Joe College," by Terry O'Hara.

BR. COBB, moderator of the Clarion, kept the Yearbook staff on its toes.

The Camera Wizards

In keeping with the principle of making the yearbook strictly a student affair, the first student photography staff was organized this year. Brother Hickey, who has had previous experience in this field, began to teach the boys in a regular class. From this class the more adept students stayed on to form the present staff. With the addition of new equipment, including a new enlarger and an electric print dryer, the boys were on their way.

Wilson Markle, with his prized possession, a three hundred dollar Graphic camera, began to cover every school event with the assistance of Peter Mui. Every picture in the school paper and yearbook, outside of the more formal ones taken by a professional, can be credited to them.

WASHING of the negatives after development was done by Tom Bird who is taking them from the fixer.

Art—Oils, Leather, Copper

To accommodate the increasing number of students who wish to enter Art, two new branches have been started this year. Besides Oil Painting, Poster Painting, and Copper Tooling, we now have Lino-Block Printing and Leathercraft.

Oil Painting is taught by Brother Walsh, whose paintings are frequently found throughout the school. Two of his most successful followers are Glen Ross and Joe Mui of 12-B.

Brother Dennehy teaches Poster Painting, using professional posters obtained from department stores as models. Poster Painting teaches students how to letter, how to produce attractive layout design, and how to select the proper colours.

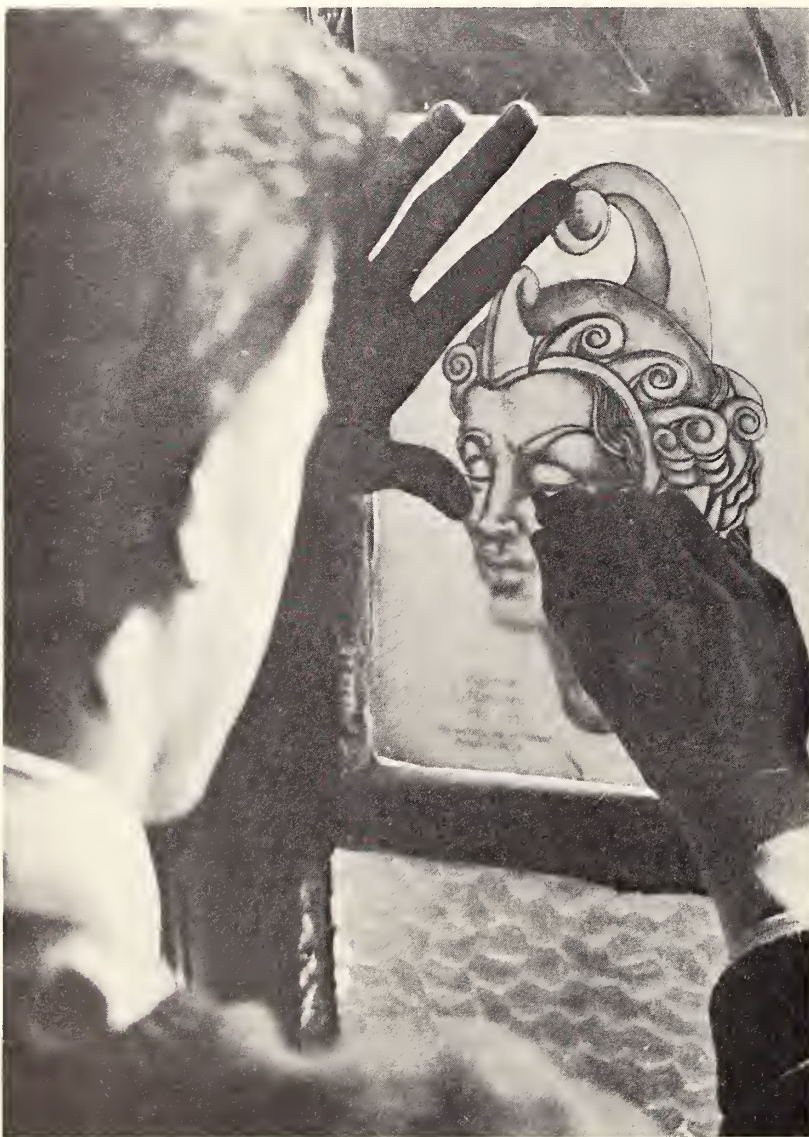

RECEIVING A HELPING HAND from Bro. Walsh is Ken McDougall. Dolf Alberts, Chuck Smulders and Dick Bordewick watch for helpful hints.

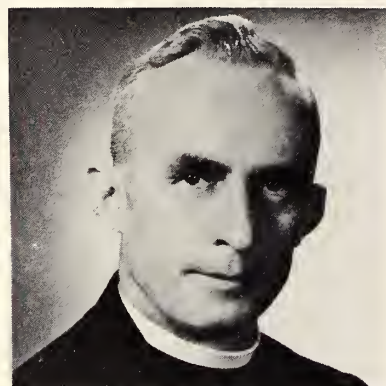

DISCUSSING one of the many problems that arise concerning Art are Bros. Dennehy and Clarkson. Bro. Dennehy taught Poster Painting while Bro. Clarkson taught class in both Leathercraft and Copper Tooling.

TOUCHING UP THIS EXCEPTIONALLY GOOD POSTER IS DAVE HILL.

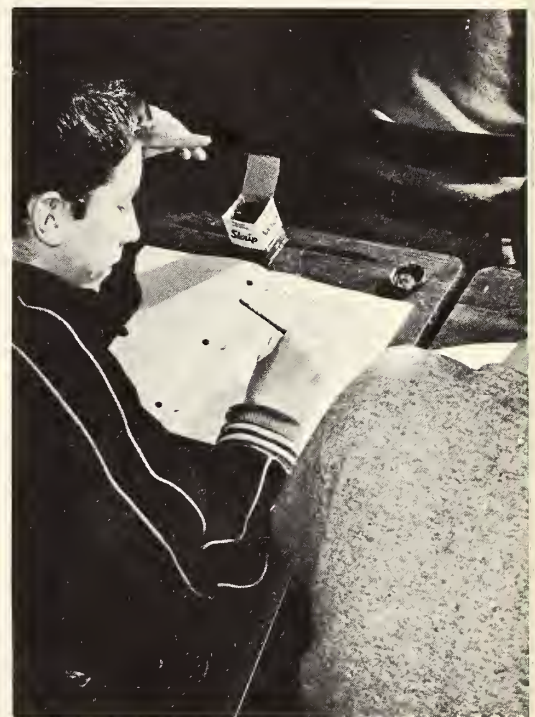

In Copper Tooling, which is taught by Brother Clarkson, students produce figures on copper plates in a dimensional effect. Masters of this were G. Mayer, R. Abbot, and J. Oster of 10-B.

Lino-Block Printing, one of the new branches of Art this year, is taught by Brother Dennehy. Pieces of linoleum are carved out so as to leave a silhouette of a picture or design. They are then dipped in paint and applied to paper, cloth, or whatever desired. Some very good examples of this were obtained from W. Schuss of 9-A and D. Hill of 10-A.

Introduced at the end of February this year was Leathercraft, which consists of making small leather articles and decorating them with pictures and designs. Examples of these are purses and wallets.

LETTERING with a deft hand is Ron Bourgeois in Bro. Dennehy's Poster Painting class up in room 302.

PRACTISING to letter straight lines perfectly is D. Macaulay. It will help him in his poster painting work.

Selections

Besides the presentation of the operetta, "Trial by Jury," the Glee Club displayed its talents at the Christmas Concert and at the Commencement Exercises in June.

At the Christmas Concert they sang the following numbers: Wagon Wheels, Happy Wanderer, Hark the Vesper Hymn. There was also a small group of six soloists singing the following: Bound for the Rio Grande, and Fanfare for Christmas Day.

Success Spells This Year's Glee Club

"Trial By Jury," one of Gilbert and Sullivan's comical operas, was the Glee Club's main performance for the past school year.

This performance was highly praised by the audience, and according to a gentleman, who studied at College about 20 years ago and has continuously assisted at the College functions, this performance received the longest applause he has ever heard at a College function.

This sort of performance was a totally new thing for the Glee Club, which had formerly sung songs like "Wagon Wheels" and "Happy Wanderer."

Franco Oduber, Eric Griffiths, Bob Petty, Grant Paynter and Douglas Scott took the main roles. Mr. Lambert Smith did the dramatic directing, Mr. Watts the musical conducting, Bro. McEnroe, the accompaniment on the Hammond, while Bro. Pastone assisted.

THE VICE-PRESIDENT, P. Durkin, and the president, R. Cloutier, go over suggestions and new ideas concerning the future of the club.

J. BEGG AND M. FINCH APPROVE.

The Noise Club

For the first time in the history of V.C. a combined Pep Club was organized.

The members were from College and Little Flower Academy. Under the moderatorship of Bro. Cobb they elected a president, R. Cloutier; a vice-president, P. Durkin; and a treasurer and secretary, A. Maloney. They also elected four cheerleaders from V.C. and four from L.F.A.

The club met every two weeks, to practise the cheers and discuss new ideas; one of them being the new yellow sweaters.

The '55 Drama Club

As the principal performance of the year the Senior Drama Club presented *You Can't Take It With You*, while at the Christmas Concert it presented Dickens' *The Christmas Carol*.

The play "You Can't Take It With You" had a mixed cast of students from Vancouver College and Little Flower Academy. It ran for three nights and was a complete success. R. Giroday, A. Sandes, G. Testar, F. Cyr and N. Martin were

highly praised for their magnificent performances.

"The Christmas Carol" consisted of an all-boy cast from the College, and was only presented for one night. G. Testar, N. Martin and Doug Riley were extensively congratulated for their performances.

Mr. Frank Lambrett-Smith, the drama coach, and Bro. Reilly, the moderator, were very proud of the club when they saw the results of their efforts. Even though they knew all along that everything would turn out alright. Why not?

Focusing on the Junior Drama Club

This year's junior section of the Dramatic Club put on two performances, both at the St. Patrick's show.

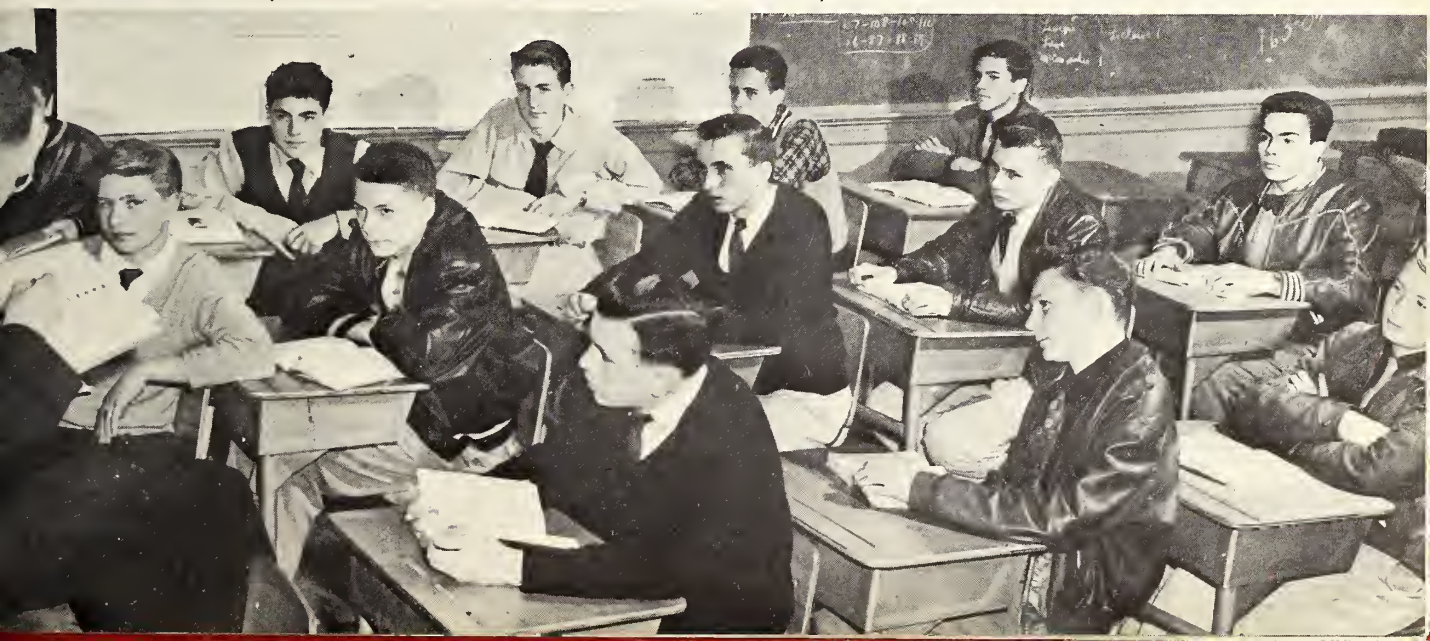

The first performance was the presentation of the "Congo" by a verse speaking choir. The "Congo" dealt with the history of the natives of Africa, from ancient times right up to the time of the arrival of Christianity.

The second performance was a comical skit called the "The Little Red School House," which dealt with the last day of school in a rural district. It was a complete riot, they say.

College Band Gets Bigger and Better

The Vancouver College Band is especially attractive to those who would like to have some knowledge of music but have neither the time nor the money to visit private instructors.

This year there are approximately fifty students in the Band. Even though the Band started from scratch seven years ago, because of the fire in 1947, it now has a fine selection of instruments for those who do not have their own.

During the school week, Band practices are held throughout the day for four days. However, not everyone is there at once. There are group sessions and private sessions interchanging

so that individual students do not miss too much regular class time.

This year, for the first time, the members of the Band are receiving letters; seven-inch for the high school, and five-inch for the grammar school.

The Band displayed its talent at the Christmas Concert, St. Patrick's Day, the Graduation, and a few other times throughout the year.

The Band has been constantly growing in recent years and there is no reason why it should fail to become bigger and better with each year.

BR. CLARKSON, ABLE MODERATOR OF TUMBLING.

Tumblers Topple and Dive

From the simple roll to complicated pyramids Vancouver College tumblers are tops. Only grades four to eight participate in tumbling but they have mats, a springboard, and a trojan horse which are essential for most tumbling achievements.

During basketball games this year, spectators were entertained by a select group. Brother Clarkson chose them out of his eighty students to put on shows at half-time or between games. The various drills and the stunts that were mastered proved to be very interesting and unusual.

JUST A SAMPLE of what Bro. Clarkson's tumbling class can do is this somersault by H. McLaughlin.

The Library Club is one of the most necessary and efficient clubs in the school.

Our librarian, Bro. Hunt, found a group of 16 boys, six from the high school and ten from the grammar school, who would help him keep the library in tip-top shape.

This group's chores were: making sure books are in order in their respective shelves; pasting date cards on new books; numbering new books; lending out books and making sure of their return; arranging the magazines in their proper places; fixing torn pages and covers.

The club members paid five cents weekly and had meetings regularly, with the purpose of discussing new books. At the end of the year they had an outing, which they all enjoyed immensely. Individual pins were awarded to each one at the end of the year.

The executive branch changed regularly, that is, they had elections every month. The one who stayed the longest as president was G. Shea.

PREPARING BOOKS for their respective places on the shelves are G. Shell, S. Nichols, G. deJong.

Getting a Capsule View of Grade 7

Within the confines of this classroom we have a group who represent the school in every conceivable phase of activity. The outstanding students scholastically are James Dumont, Harry McLaughlin and James Hope. Gerry Gri, Teddy Campbell, Douglas Stewart and Brian Adams are the boys who have lent their various talents to the athletic endeavours of the school. Grade VII has also participated in special activities among

which are the inter-aisle basketball, softball and football league. Room 112 students are not to be forgotten for their brilliant work regarding the missions, raffle tickets and the yearbook for which they raised over one thousand dollars in ads. Though the efforts of Bro. Dennehy, who has prepared the students for the very important scholastic milestone ahead, Grade VII can take pride in their many accomplishments this year.

Meeting Grade 6

On the first floor we find the active room of 207.

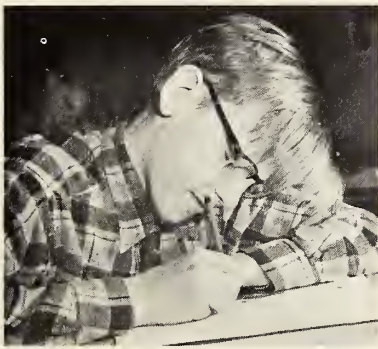

Grade VI possesses students which excel either scholastically or athletically. But Room 207 possesses something more, something intangible, a tremendous school spirit. This spirit was shown at the first basketball game for College at the British Columbia championship. Although the game was evenly fought throughout, Vancouver College lost by a small margin. After the final whistle, crest-

fallen members of Grade VI arose and left the gym with tears in their eyes. This class has also shown its spirit in its tremendous support of the missions, raffle tickets and the yearbook ads.

Ronald Volk, Brent Watson, and Bob Lewthwaite are particularly outstanding in athletics. Under the guidance of Bro. Castaneda, Grade VI has developed into a class of which Vancouver College can be justly proud.

Looking at Grade 5 in Perspective

A most interesting class is that of Room 115. Under Brother Parent's guidance Room 115 has mastered the trials and hardships which Grade V presents. The three boys which now possess the academical medal awards are Michael Eivemark, Richard Dumont and Larry Campbell. Grade V is well known for its First Saturday devotions to Our Lady of Fatima which was originated and developed by Bro. Parent.

Participating in basketball and softball leagues and debating teams, Room 115 encourages extra-curricular activities. This versatile class also shares first place with Grade IV in the raffle ticket drive. Among class's athletic contingent are Charles Lipp, Paul Chalmers, Arthur Weeks, Tommy Dixon and Sammy Whittaker of course.

Grade 4 Shows Polish, Spark and Talent

Whenever any type of organization is formed at College you can be pretty sure that Room 101 will be ranked high among its contingent. This is indicative of the tremendous spirit that prevails in this room. Robert Dumont, Billy Stewart and Ian Blake are the scholars who possess the coveted medal awards. Room 101 is also represented on the biddy basketball courts

by the talent and prowess of Randall Welters and Richard Chalmers. Grade IV has also excelled in the various activities of the school, being first in the selling of raffle tickets with a high average, and third in the collecting for missions. Bro. Finn can be justly proud of his class as it is indicative of the standard of the school for which the Brothers have been striving.

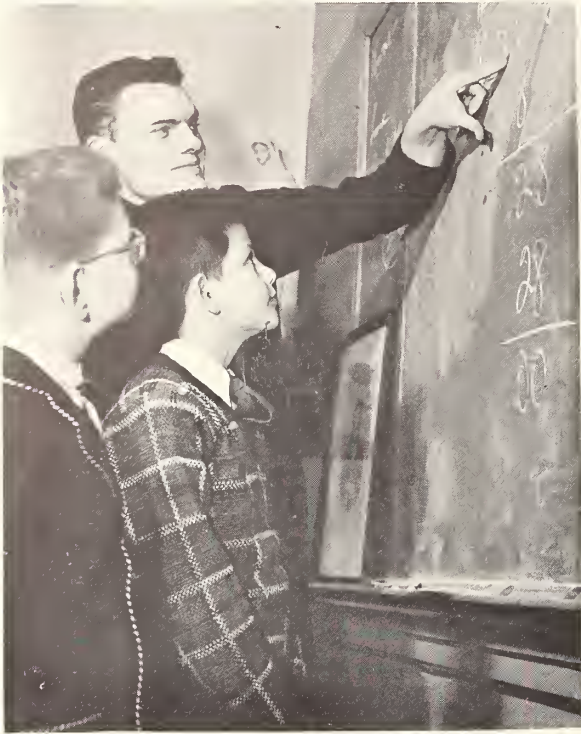

"GEE WHIZ, what's this?" exclaims Marc McGrath to Dan McDaniels, Myron Claridge and Bill Stewart.

A HELPING HAND is given to Jimmy Sced and to Von Stewart by Brother Finn during tough session.

THE QUESTION of the decimal point led to many amusing queries by Brian Burke and Gary Doyle.

A LOUD BANG! and a peal of laughter were to be heard as John Rayden, William Foster, Danny Emanuele, Richard Pearson, Phillip Harrison, Paul Halborn and David Murison have their attention drawn to an object in the fountain at the firehall.

A RAISED HAND by one of the pupils is a frequent occurrence in Grade III and you may be sure that the question of Paul Loranger pertains to one of those troublesome division problems involving the decimal points.

Grade 3's Aggregation

Within the four walls of Room 113 may be found a cross-section of youth which personifies the activity of the grammar classes in regard to studies and activities. In every endeavor of the school as a whole, Grade III has always been represented, no matter what the occasion, expense or sacrifice. In the cheering section during a basketball or football game, you are sure to hear the young but loud voices of Grade III, supporting the cause of the college. These young students, having absorbed the necessary knowledge for Grade IV through the efforts of Bro. Harrington, have also excelled in their studies. In short, we are very proud of Grade III because partially through their efforts the school spirit has reached a new zenith.

Activity Personifies Grade 2

On the first floor we are met by a group of students who are members of the interesting room of 111. These veterans of two years express the spirit of the school by their rabid participation in studies and school activities. These veterans of two years not only have furthered their education scholastically but also spiritually. They have gained a further knowl-

edge of the life of Jesus Christ and His Blessed Mother, the Virgin Mary. And their repertoire of prayers to Him and His Mother is not at all neglected. Under the guidance of Brother Clarkson, who has acted as the force of the catapult which has showered us with the class's various talents, Grade II is developing into a class from which we can expect very great things.

"THERE IS IRELAND where the Brothers were founded," says Br. Clarkson to D. Corcoran and M. Paris.

"THAT'S AN ELEPHANT, boys," exclaims Larry Gunn as Michael Murison and Raymond Aminann look.

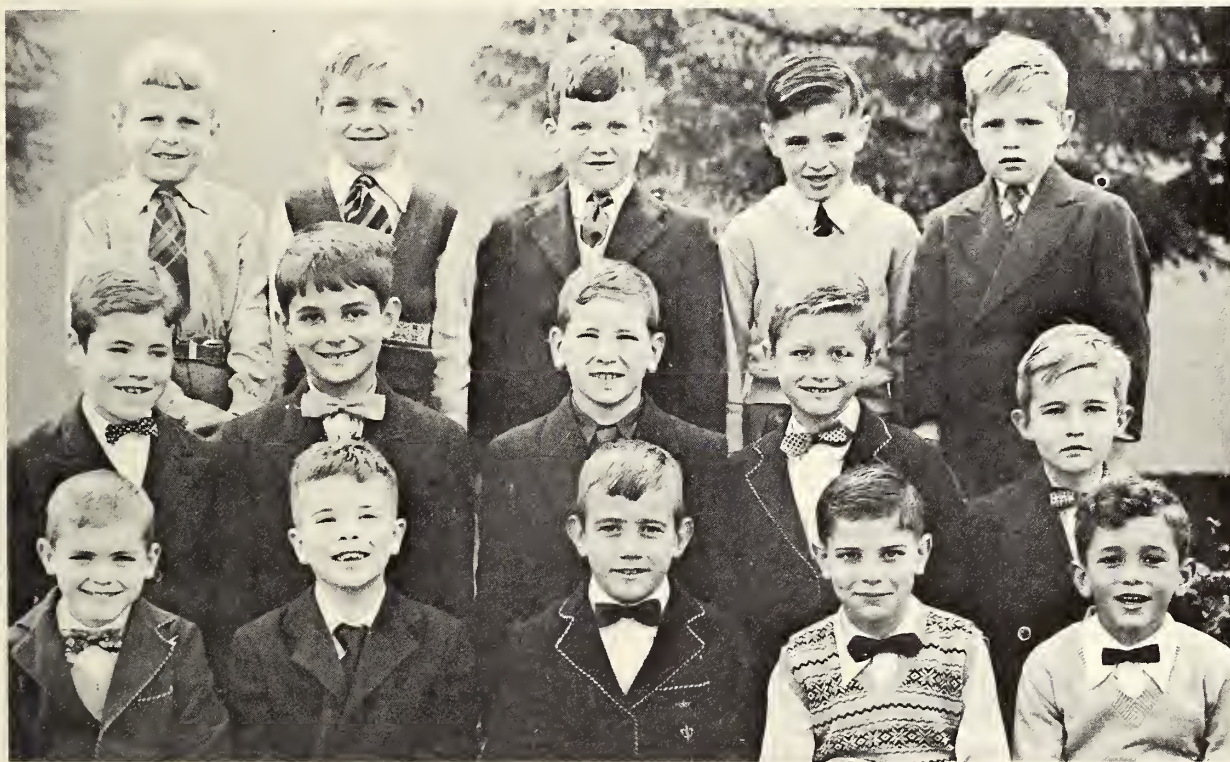

STUDYING INTENTLY, Ivan Beller seems to be lost to the world.

LOOKING ATTENTIVELY at the board, Henry Mackin is being scrutinized by Michael Paris and Richard De Garnege, two of his classmates.

LATE FOR CLASS Roger Bourbonnais awaits the inevitable questioning of Bro. Clarkson while the class's expressions are those of alarm and amusement.

Grade 1's Own Views

We have now reached the end of our journey of the activities of the grammar school classes during the curricular year. It is now that we stop before the door of the veterans of one year, Grade I. These young students have now mastered the seemingly difficult problems which reading and printing present.

These young soldiers of Christ have also received their first Holy Communion, and Confirmation through which they obtained a further understanding of God and His ways. Under the guiding hand of Bro. O'Grady Grade I is one class from which we can expect really big things.

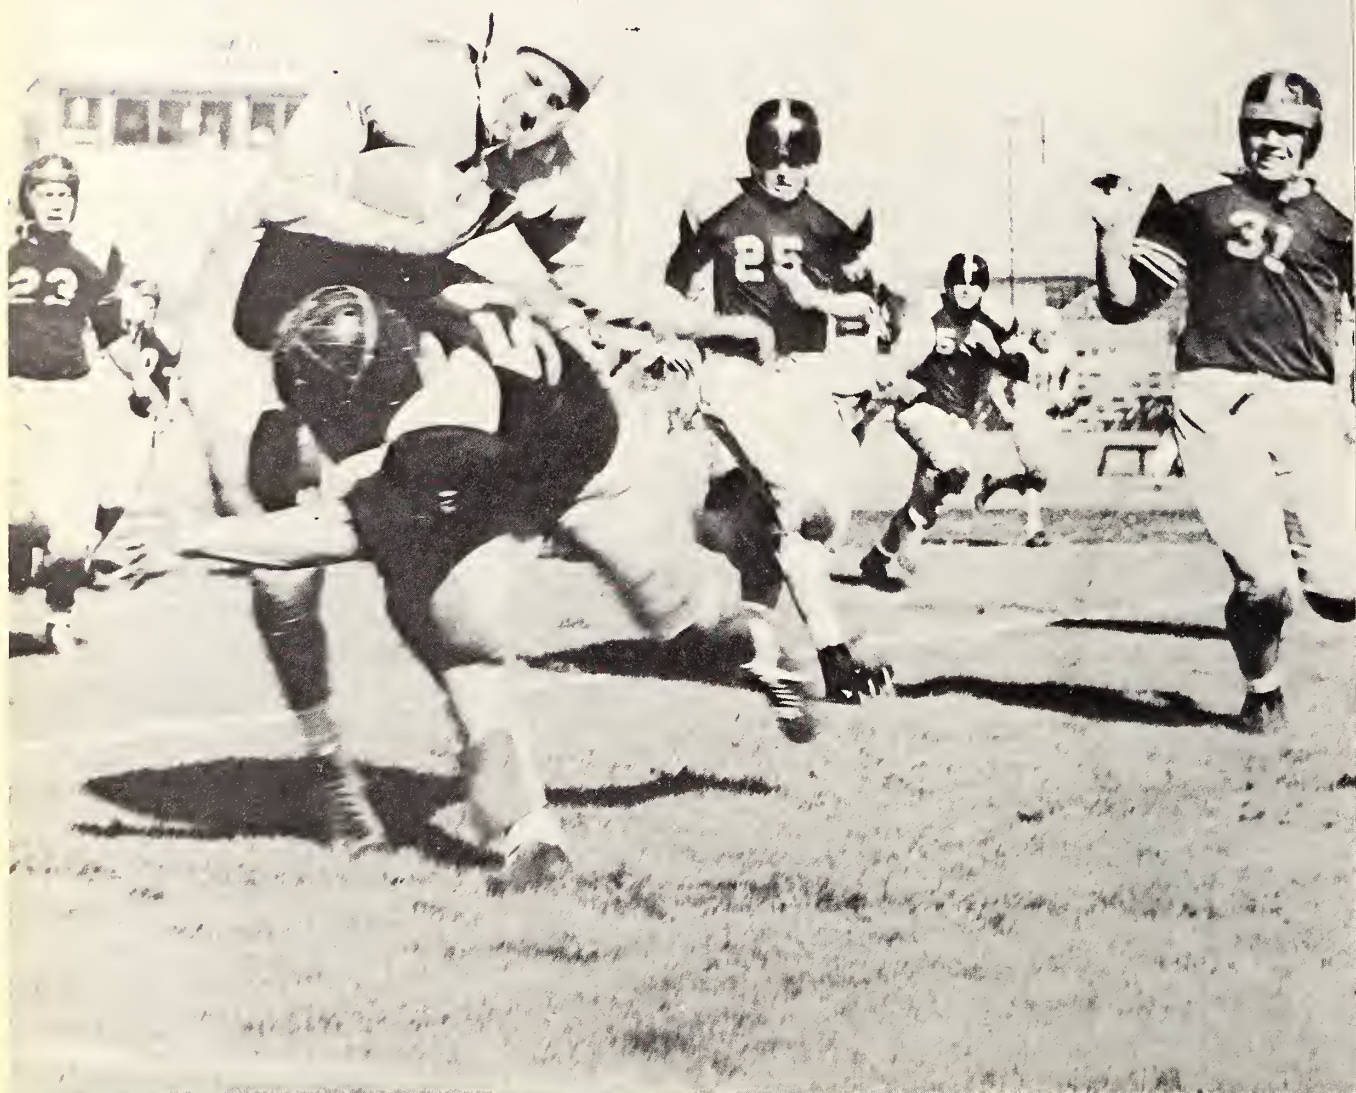

A PICTURE of utter concentration is being portrayed by Bobby Mackin as he reads of early day explorers.

FOOTBALL SEASON

1954

COLLELO OF O'DEA stops Terry Rollins after a nice gain around right end. College lost 13-0 before jam-packed stadium against their traditional rivals from Seattle. Although Irish gained more yards they were overpowered.

The Fighting Irish of Vancouver College, on the slow road back to the football prominence they enjoyed during Greg Kabat's storied reign several years ago, began their practice for the 1954 season under coach O'Brien in early September. These practices strengthened the team and also gave the coach an idea of the material he had. Only seven letter men returned but the new members were better than average. One of these new faces was Sonny Homer, who came from North Vancouver and was proving to be a very good halfback. All in all, the 1954 football season seemed to be a very promising year.

THE ENTIRE SQUAD. First row (l-r): J. Clark, R. Cloutier, V. Ivancic, Mr. O'Brien (coach), D. Petroski, P. Durkin, L. Petty. Second row: J. Steele (mgr.), B. Somerville, H. McLeod, G. Robinson, L. Homer, T. Rollins, L. Ius, R. Sasges, G. Ross, B. Clark, R. Boreham (mgr.). Third row: W. Winters, B. Macdonald, G. Hoar, Br. Parent (assistant coach), M. Macdonald, P. LeClare. Pictured here outside the Vancouver College Gymnasium.

DISCUSSING the next game are Brother Parent, Dr. Donnelly, team doctor, and Mr. O'Brien, coach.

In the first game of the season the Gaels were beaten by a much improved Nooksack club by a heart-breaking score of 14-12. The inability of the squad to convert Sonny Homer's two great touchdowns, one a 20-yard run and the other a 98-yard ramble, cost them the game. Nooksack opened the scoring by recovering a fumble on their own 3 and dashing away for a T.D. Although Nooksack had a 7-0 half-time lead, the Irish came back when guard, Roger Cloutier, opened a hole and Homer raced through for a major. Nooksack scored again, and, on the kickoff, Homer grabbed the ball and rambed 98 yards for the final touchdown.

In the second game of the season the Irish went down to their second straight defeat by losing to their traditional rivals, O'Dea High School of Seattle, by a score of 13-0. Both of O'Dea's touchdowns came in the fourth quarter. Tom Schmidt passed to Jim Hendrick for the first one. The other came when O'Dea's great back, Larry Colello, intercepted Rollin's pass on the O'Dea 20 and went all the way.

College's first taste of a win came when they travelled down to Lynden and scored a thrilling victory over this Washington high school by beating them 12-7. In the first quarter, halfback Bill Clark ran 50 yards off right tackle and reversed the field for a touchdown. The conversion failed and the score stood at 6-0 in favour of the Purple and Gold. In the third quarter Sonny Homer ran 55 yards on a similar play for the Irish's second major. Again the conversion was unsuccessful. Lynden came back in the fourth quarter to score a major and a conversion which made the score stand at 12-7. With a minute to go, Lynden threatened again but College held on for the victory.

SPECTATORS from College getting off the plane at Olympia before they go to the St. Martin's game.

On the next Saturday, October 8, at U.B.C. Stadium, Vancouver College made history. It was the first time in Vancouver that a football game was shown "live" on T.V. Although only 400 turned up at the stadium itself, countless thousands watched the game on T.V. sets at home.

Sonny Homer scored two touchdowns against Meridian. He scored a major in both the first and second quarters to give the Irish a 12-0 half time margin. Both converts were missed. Petroski made it 18-0 in the fourth and Terry Rollins threw to Henry Lapointe in the end zone to get the convert.

Rollins, who was playing brilliantly at quarterback, and Lapointe, a standout at end, brought Vancouver down field again to the Trojans' six where Rollins scored standing up after reversing the field. The team really looked good for CBUT cameras. Seemed like the boys could do no wrong.

But the following week, looking their very best of the season, the Gaels of Vancouver College triumphed over Forks High by a 39-6 score.

SONNY HOMER being stopped as he goes around left end for another of his few gains in a game against St. Martin's Van. College, playing poorly, lost 20-13.

THE COACH, W. O'Brien, being carried off field by Mr. P. LaPointe and Mr. M. M. Stanlow, after the Meridian game at U.B.C. Stadium which V.C. won, 39-6.

The Collegians never played better. Hard-running Sonny Homer was bursting for sensational gains and scored three touchdowns—one a 40-yard run, the other a 92-yard run, and the third a runback after the kickoff. Quarterback Terry Rollins directed the Irish to quarter leads of 12-0, 18-0, 25-6 before they scored two converted touchdowns in the final period to end the rout. One of Homer's touchdowns came on the quarterback optional play. His mate on the half-line, Bill Clark, scored another on the same play.

Two other touchdowns were scored by wingman Lapointe, Rollins chucked the ball, Lapointe caught it, and there was no stopping him.

Forks fought back into contention briefly on the first play of the third quarter. Bill Pope of Forks made the only interception of the game when he ran 70 yards to the goal-line. Brother Parent's charging linemen crushed the game Forks crew and had themselves a smashing good time while the backfielders took advantage of it.

TERRY ROLLINS is stopped on the line of scrimmage as he tries a quarterback sneak. Homer and Sasges come to his rescue but to no avail. This was College's fourth win of the season as they downed Bellingham team 7-6.

SASGES fouls up Collelo of O'Dea before he has a chance to get the pass away. College lost game, 13-0.

The Fighting Irish of Vancouver College scored their fourth consecutive win in the next game. The victims this time, a heavier crew from Bellingham.

Quarterback Terry Rollins scored for the Irish in the first five minutes of play in the first quarter when he raced seven yards into the end zone on an option play. He passed to Henry Lapointe for the game-winning extra point. George Hoar was a standout on both offence and defence for College, intercepting a Bellingham pass which ended a late rally.

Bellingham led in the statistics, however, with 10 first downs to College's eight; 183 yards rushing compared to Vancouver's 144; and 75 yards passing to 68 by the Irish. College received four offside penalties for a total of 20 yards and Bellingham received one clipping penalty and two offside penalties for a total of 25 yards. The final score was 7-6 in favour of College.

CLARK sprints around left end for 20 yards before he is stopped by one of St. Martin's players in the final game of the season at St. Martin's. They seem tired after their long bus trip to Olympia, and dropped this one.

O'HARA being brought down after running back the kick for a fairly nice gain in the Fork's game.

Vancouver College, for the first time in many years, won more games than they lost. Now, after having won four straight games, they travelled to Olympia by bus to see if they could better that record. When the team got down to St. Martin's, they were a tired bunch of players and unfortunately lost the game. St. Martin's had the edge on statistics and scoring all through the game except in the last quarter when the Irish scored two touchdowns in about as many minutes. When the game was over, the score stood at 20-13 in favour of St. Martin's.

All in all, Vancouver College has had a very favourable year thanks to Mr. O'Brien, who is leaving us in June. In his three years at College he has worked very hard, and this year he was repaid for his work. With a bit of luck, College, this year, may have had seven wins and no losses instead of four wins and three losses. Whoever the coach may be next year, he will really have to work in order to produce a better team in ability and spirit, than the 1954-1955 squad.

In its second year in operation, junior varsity football showed a vast improvement in the technique of tackling and blocking. Thinking football all the time seemed to be the keynote, as the boys made field decisions more readily and confidently than in the past.

The coaching this year was in the capable hands of two alumni of Vancouver College—Mr. Gordon Elliot and Mr. Ian Stewart, both members of the University of British Columbia "Thunderbirds" football squad. While both men were busy with their own season, they found time to handle the J.V. team in their spare time.

In the two games the J.V.'s played against Blaine, they lost one and tied the other. The first was lost to us by a score of 13-7 at College, while in the second game, which was played at Blaine, Wash., the J.V.'s managed to tie the game with a score of 7-7.

CONDY being pulled down by Blaine players as he attempts to gain some yardage. College tied this game with a score of 7-7 at Blaine, Washington.

The Varsity basketball team overpowered their first eight opponents in the current basketball season, but at last fell to the powerful gang from Blaine, Wash. The usual starting five were Hoar, Dumaresq, Bruhaug, Welters, and MacDonald. Using such means as cars, busses and planes for transportation, the team travelled near and far from the distant corners of Washington to the fruit valley of Kelowna and Penticton.

One of the most outstanding players of the year was Ivor Bruhaug, leading the team with an average of 18 points per game.

BOYS GET BRIEFING FROM BR. FINCH AT TIME-OUT

Like their big brothers the Junior Varsity made a good showing of their skills in '54-'55.

When Brother Finch got his first glimpse of this so-called J.V. team he didn't know quite what to expect. Later he found out with the team winning the first seven games off tough opposition. The boys are full of punch and drive. John Oster and Rick Abbott led the team in sharp-shooting. The rest of the team were continually on the go for that leather orb.

These boys are the up-and-coming team for College. Since this is the last year for Mr. O'Brien to be coaching, Brother Finch will more than likely take the helm next season. Now that the boys are used to brother and he to them next year's Varsity will probably show good results.

The most thrilling game of the J.V. season was against Kitsilano High School. The game seemed to be going in College's favour when suddenly in the final period Kits started to get hot. The gap in the score started to get smaller. The boys didn't pay much attention at first, but it was almost fatal for V.C.; Kits took the lead momentarily, then the team fought back hard and won, 37-36.

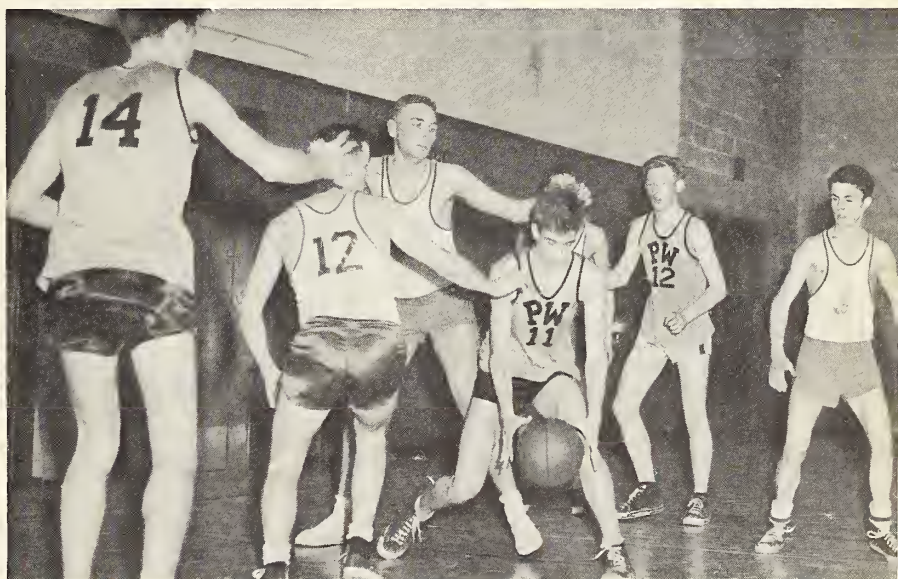

Another instance of an exciting game was against Notre Dame, played at their own gym. College J.V.'s and Freshmen and Notre Dame seem to be rivals. Notre Dame has been trying for years to beat one of the teams, but never succeeded. This time, though, they managed to tie the Junior Varsity, 27-27. Their little gym was dumped on its ear; the fans were wild—they realized that V.C. had previously beaten them.

BRO. BATES presents Brian Adams with the most valuable player award on Biddy Night at Van. College.

Since basketball is an up-and-coming sport in the sports world, they start them young. The mighty mites of Vancouver College started their workout in the gym in late November with 40 youngsters loaded with vim and vigor. The age limit for the boys is 12.

Their first game was against Gladstone—and one with glory. The team played about 14 games this season and won eight of them. All of the games were played against youngsters that were three and four years older than our boys, but this didn't worry them.

L. Noland topped the team for height while Brian Adams was the recipient of the most valuable player award for the basketball season.

Once again under their able coach, Br. Kelly, the K. of C. "A" team has become K. of C. Soccer Champs and also Pacific Northwest Christian Brothers Champs. In league play, they enjoyed winning five and having one draw. But in exhibition games, they won four and lost one. This gives a final record for the whole season of ten wins, one draw and one loss.

In the Northwest Christian Brothers Soccer Championship, they defeated Briscoe Memorial School of Kent, Washington, three to one to retain the trophy for the second straight year.

Team stalwarts were goalkeeper and captain Gene Filiatrault, fullback Peter Ohler, and centre-forward Bob Arnold.

Meanwhile, in addition to the "A" team, College entered a "B" team in the league under the coaching of Rev. Bro. Dennehy. This team was composed of Grades Six and Seven students, and acted as a farm team from which the nucleus of next year's "A" team is picked. Their record was poor—two draws and three losses, but experience the boys gained will undoubtedly pay off next year.

BOXING

The boxing season opened officially at V.C. November 5 when College presented a 17-bout card ranging from 45 lb. novices to the 118 lb. main-eventers, the accomplished Paul Boucher of V.C. and Larry Watson of Cedar Cottage. This was a good indication of how fruitful the year was to be and must have given Coach Archie MacDonald an inkling that this was to be a really great year in the history of boxing at College.

In the Emerald Gloves, College reached an all-time high with nine champions and five finalists, the Best Club Award, and two special awards. Paul Boucher was given the Best Left Hand

award and Ronnie Volk was named the Most Scientific Boxer of the tournament.

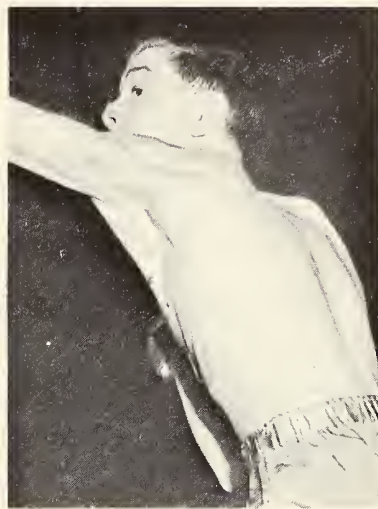

The Bronze Gloves, held at Marpole Community Centre, was also dominated by the V.C. battlers. With only 11 entries, the Irish walked off with six championships, four runner-up spots, the Best Club trophy, and two special awards. The Vancouver Herald paid a nice tribute to Archie MacDonald on that occasion when Al Best, one of Canada's top sports writers, wrote in his column on the morning of November 22nd: "Vancouver College ran away with the club trophy as they poured forth a swarm of eager youngsters. Coached by Archie MacDonald, the team was well trained and won six of the final 16 championships." Well done, V.C.!

Archie MacDonald

President of the student body, all-round athlete and a sparkling personality, all wrapped in one, is this year's boxing coach at Vancouver College, Archie MacDonald.

Starting Vancouver College in his freshman year, Archie at once became prominent on the boxing team. That year as in his sophomore and junior years he received many trophies for the perfection of his boxing skill and sportsmanlike conduct. In his senior year, he was offered the position of coaching the team instead of boxing himself.

He gave Bro. O'Grady, previous coach and now the moderator, a hand with training the largest team of boxers ever to be affiliated with Van. College.

This year's baseball team got off to a slow start in the '54-'55 season. It lost its first two games to King Edward with scores of 8-0 and 9-0. It won its third game from Prince of Wales, scoring 11 runs to Wales 1. Ron Coolin pitched the entire game with Glen MacDonald subbing for Roger Cloutier in the catching box. College's next game was a close one. John Oliver downed us 2-1. Mike Dagenais pitched the game. So far the team has not done very well, but there are considerations to be noted. Most of the players consist of Grades 9 and 10 students, therefore it will take a year or so to develop a hard-hitting team. The club is fairly good on defence, where most of its credit goes. Hitting power will develop later as the team members get more experience and more practice.

K. of C. Softball

Softball was always a hit with the grammar school boys, and this year is no exception. Under the able coaching of Bro. Kelly, the K. of C. softball team has run roughshod over all opposition in the league. As we go to press the team has won five straight in league play to capture the Western Championship, and also two consecutive wins in exhibition games to give them an unblemished record of seven victories and no defeats.

Bro. Kelly did a fine job of coaching for another year, bringing back every one of the K. of C. trophies. He made a clean sweep of soccer, basketball and softball, not losing a league game in any of these sports. Our congratulations to Bro. Kelly and his teams.

Although there are no spectacular bowlers among the group, the records for this year have been good. Andy Getz and Mitch Welters tied for the high single game with 303, while Bro. Reilly, who is one of the steadiest bowlers, took the high three games with the score of 743. "The Five Fonies" turned in the high team score for three games with 2880 points, although "L & R's" lead the league.

Stack Wins Intra-Mural Football

The first event of the intramural sports of the 1954-55 school year was the touch football league. Under the able moderating of Rev. Bro. Reilly, the league started early with six teams entered. The teams were scheduled to play 10 games and the top four teams qualified for the playoffs which followed immediately after the completion of the league.

Stack's team got off to a slow start, losing its first game to Dumaresq. Howes also won his first game and continued his winning stretch by dumping Dumaresq in the latter's second game.

This proved to be the downfall of Dumaresq's powerful six who, while beating every other team in the league twice, were not able to defeat the Howes' sextet. Dumaresq won the league with 16 points followed by Howes, Stack and Welters, in that order.

The playoffs started with Stack matched with Welters and Howes with Dumaresq. These games proved to be the most exciting of the year with Stack and Howes entering the finals. After three very close games Stack triumphed over Howes and captured the intramural title with the win.

INTRA-MURAL BASKETBALL

Roughest Basketball of Season Seen In Gym

If on any week-day you walk into the Vancouver College gym between 3.10 p.m. and 4:00 p.m. during the winter months you will see in action the Vancouver College Intramural Basketball League. Once again under the direction of Rev. Bro. Reilly, the intramural basketball season was a great success, giving exercise, recreation,

and enjoyment to some 40 boys who participated in it.

The league this year was not divided into two divisions but was handled as one group. In the league there were six teams, captained by Ken MacDougall, Peter Miller, Franco Oduber, Vince Ivancic, Ted Head, and Don Ken-

The semi-final games were total-point, two-game series, and out of these games Oduber and Ivancic emerged winners, and moved into the finals. In this series Ivancic's team bettered Oduber's, becoming Intramural Champions.

Intra-Mural Softball

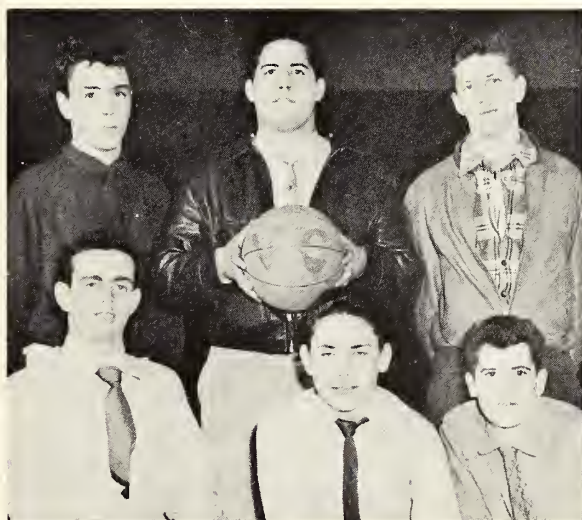

Now that springtime has dawned on the scene at V.C., Bro. Reilly has organized intra-

mural softball. College has four backstops on the campus with the high school using two of them and the grammar school using the other two. As a result on any week-day you can see three or four games going on at the same time.

In the high school, there are four teams in the league, each grade of 11 and 12 having an entry in the league. There are usually two games a day, umpired by moderator Bro. Reilly and Bro. Finn. These games are always hard-fought, but the most important factor is the enjoyment,

SENIOR BOARDERS

Under the moderatorship of Brothers Finch and Castaneda, there were quite a few changes in the lives and surroundings of the senior boarders.

First of all, the 50 boarders elected a Boarders' Council, consisting of four members, G. Hoar (president), C. Smulders, D. Alberts and F. Oduber. Through this council the boarders patronized two benefit, semi-formal dances. One in the fall, "Exams' Blues Ball," and the other in the spring, "The Senior Aloha."

The profits of the two dances were used to paint the recreation room and the locker room, and also to pay for the material used by the Mothers' Club in re-covering the furniture in the rec. room.

Other new additions were two ping-pong tables, crib, chess and cards sets, and a Coca-Cola machine.

We need not go through their daily program. We all know it consists of getting up in the morning, Mass five times per week, classes, study

periods, play time, etc. It's a very busy day, indeed, but the boarders are certainly a happy group. Expressions on the faces in the above picture only go to prove veracity of our statement.

Intermediate Boarders

This year there were 36 intermediate boarders on the third floor of McCormack Hall, with Brothers Pastone and Dennehy looking after them. The boys themselves had many privileges of which Tuesday shows and television rated highly. These "intermediates" had a choice during the long winter months of basketball or T.V. Many of these boys were on the Knights of Columbus soccer team which won the city finals. During the spring the boys organized two softball teams and had a game every weekday. Tennis has become popular since the tennis courts were

installed a few years ago, and some even were seen out there early in the morning practising.

A few of the boys have odd jobs of cutting grass and keeping the grounds tidy, for which they receive an allowance that they can spend as they please on weekends. This year one of the boarders, Ricky Gallagher, came first in the school's marble derby and went on to finish 12th in the city finals out of over 60 contestants from various schools.

The boys start the day with Mass five days a week. Two hours of study is required for each boy and the result is that the Honor Roll sees many of them. After study many have hobbies to keep them occupied. Boats and airplanes rate high in this line. Or if the boys prefer, they can join their own band of pianos, drums, melophone, and singing. The boarders may go home on weekends or are free from 12-5:30 Saturday and Sunday. Bedtime, much disputed, is 9:00 p.m.

RETREAT

A retreat is, perhaps, the greatest single opportunity for spiritual advancement that is available for a high school student. The real purpose of a retreat is to find out the mistakes made in the past, repent them, and model the future with the idea of omitting these faults and making yourself more like Christ, the Divine Example. These purposes are fulfilled by cutting off all thought of the world around us and by meditating on the principles of religion.

The annual school retreat began on October 13th and lasted to the 15th. Participants were from Grade 8 through Grade 12. Father Quinn, vocational director of the Oblate Fathers, conducted this retreat in Sts. Peter and Paul Church.

Father Quinn talked on the problems of youth today in a way that was understood by all; he brought out his points, touching on familiar problems, so that he might clear up things no one else would. He made it possible for every one of the students to have a personal chat with him.

Apostleship of Prayer

The Apostleship of Prayer is a league of prayer in union with the Sacred Heart of Jesus.

The essence of the organization is the sanctification of self and through this first end another is also reached, the sanctification of a neighbour.

At V.C. there are 275 members, including Grades 7-12. There are nine promoters in all. In order they are: for Grade 12, Bob Boreham; 11, Dan Seymour; 10A, Harvie Eddy; 10B, Ray Brunelle; 9A, Louis Dohm; 9B, Ron Coolin; 8A, Pat Benedict; 8B, Jack Dumont; 7, James Dumont. These promoters have their meetings regularly once a month.

Their work includes the job of encouraging new memberships and distributing Catholic literature. One of their chief functions is plugging for First Friday Mass and Holy Communion.

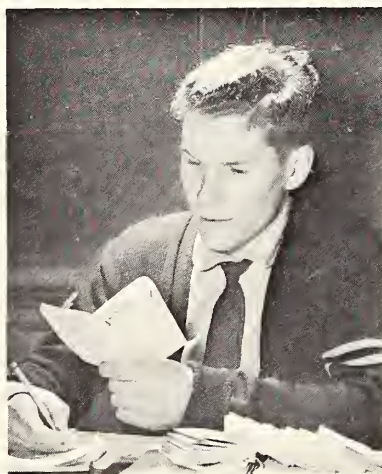

Under the capable guidance of Bro. Dennehy these boys are doing a wonderful job. Not only are they helping themselves, but also encouraging all the faithful to help in the conversion of souls.

Legion of Mary

Last year, under the direction of Brother Unsworth and Praesidium President, Mr. Maxwell Stewart, the first unit of the Legion of Mary was formed at Vancouver College. This unit was confined to first year high school students and held meetings every Sunday evening. An effort was made last September when classes were resumed to continue this unit but the results were not encouraging. Some of the former members had moved elsewhere and others found it difficult to attend as homework was a must the last minute before "blue Monday."

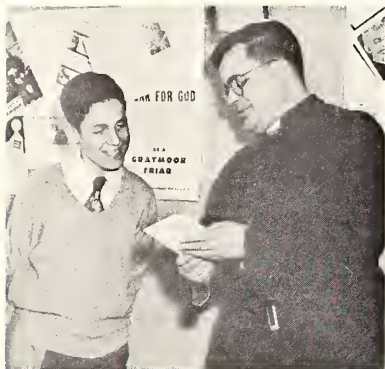

Shortly after Christmas it was decided to form a unit made up mainly from Grade Eleven students. At first the novelty of the idea and the chance of meeting during H and PD attracted some but only a small and faithful group stayed with it. These meet nearly every Friday afternoon under the direction of Mr. A. McKenna, who is an ex-pupil of the Brothers from Bristol, Eng.

Active All Year

The Mothers' Auxiliary of Vancouver College opened a very promising season with its Fall Membership Tea. The V.C. cafeteria harboured the enrollment of new and old members. November saw the Auxiliary get into full swing with a Box Social under the general convenership of Mrs. Magri. Following this came the annual Rummage

The annual Spring Carnival took prominence in February and all mothers set to work to make it the biggest and best ever. Their efforts were not ill-rewarded as the affair gave them ample reward for their endeavours.

For the first time since its foundation, the Mothers' Club formed a sewing group and a hobby club. Both clubs received enthusiastic members and all concerned received enjoyment while doing a great deal of good work.

In concluding, the faculty and students would like to extend their sincere thanks for the past benefits received, and they sincerely hope that the future will be as well rewarding as the past.

SIDELITES OF '55

COACH BILL O'BRIEN, at microphone, introduces the varsity football squad of 1955 at annual Gridiron Ball. Some of them here are H. Lapointe, L. Ius, R. MacDonald, T. O'Hara, W. Clark, L. Homer, J. Clark, W. Winter, P. Durkin, G. Ross, and A. Dumaresq who is seen standing in front of stage.

HARVEY EDDY AND DUNC GORTON PREPARE FOR GRIDIRON BALL.

A school ordinarily provides its students with a good education, but it should provide other things as well. The purpose of this section is to give to our readers an example of one of the more important facets of a high school student's life, his activities outside of the classroom.

Our first annual Gridiron Ball in honour of the varsity football squad of 1955 was an overwhelming success. Under the masterful emceeing of Bob MacDonald, the affair proved to be the biggest social success of 1954.

Our skating parties and basketball dances also provided our teen-agers with good healthful entertainment. Throughout the school year our social events received excellent support from our students.

Besides these social functions many other activities took place which were not presented strictly for the social benefit of the students. For example, the CYO high school conference, which was held in Cartier Hall, received the enthusiastic support of the boys. No doubt, the future plans of many students were altered because of the sage advice received from the university professors present.

The pictures in the following section were taken at some of these functions.

SIDELITES CONTINUED

FIRST SKATING PARTY of the year soon evened out a few rough edges in style and form. Kerrisdale Arena provided entertainment for Collegians.

JOAN BEGG holds on as **Bob MacDonald** tries zipping around a turn.

BOB MCGINNIS and **Margaret Duggan** enjoy music by **Arnold Emery** at "Exam Blues Ball," put on by boarders.

VICTORY "V" of the Fighting Irish is in evidence among dancers at Friday dance after basketball game.

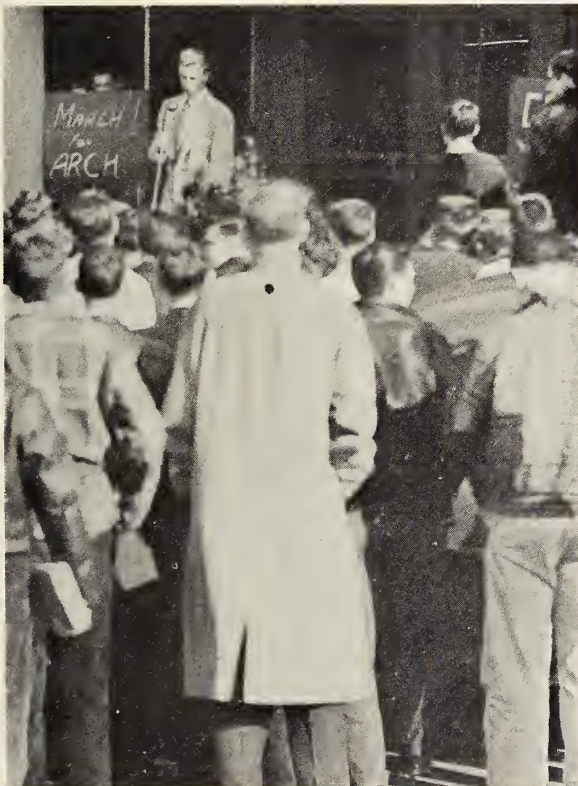

MR. AND MRS. BILL O'BRIEN EVEN A DOG came along for the skating party. **Paul Joyce** and **A. Freeman** are seen here enjoying a dance. - take him off the ice before his antics create trouble for the rest of the skaters.

MOURNERS bear the casket at funeral of the old V.C. School Spirit. Rebirth of the '55 Spirit followed this.

THE WHOLE SCHOOL arrives for assembly previous to Christmas vacation. Songs and hymns were sung.

"VOTE AS YOU PLEASE, BUT VOTE," SAYS DAVE. — **ELECTION DAY** keeps polls busy all day long.

COACH BILL O'BRIEN and B.C. Lions' Eddie Mazur with Al Pollard chat before football pep rally at V.C.

MRS. ANGELA KREMSNER leads the lower grade students at Christmas assembly. She teaches singing at V.C.

CLASS PICTURES give 9-B students a breath of fresh air during Math period. Hudson's Bay photographer attempts to get a big smile from his models. All classes were hopeful of getting nod for having best group picture.

"SHOULD THE ATOMIC BOMB BE OUTLAWED?"
Both Grade 10's give their for-and-against arguments.

GRADE 10 DEBATERS check their notes before each side makes its all-important rebuttal after presentation.

A DISTINGUISHED VISITOR is received by college, Rev. Bro. A. A. Loftus, provincial of American Province.

THE "MILE OF DIMES" provided the B.C. Polio Fund with \$92.00. Another accomplishment for Bro. Reilly.

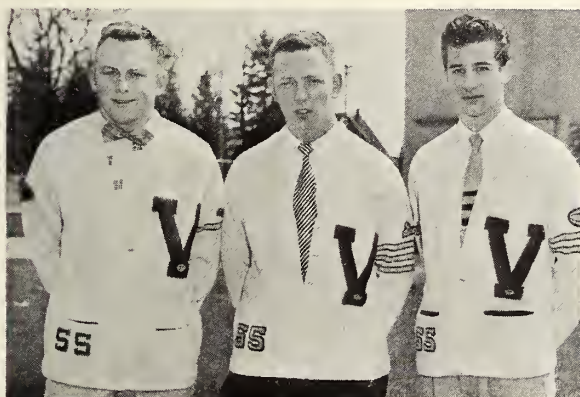

MEMBERS (back): M. Howard, L. Homer, T. O'Hara, M. Welters, W. Clarke, R. Boreham, P. Durkin, R. Kennedy, D. Steele. Middle: W. Winters, T. Rollins, R. MacDonald, D. Gurton, L. Barrett, G. Robinson, H. Lapointe, D. Dumaresq, I. Bruhaug, J. Clarke. Front: L. Ius, R. Sasges, R. Cloutier, E. Rose, G. Hoar, A. MacDonald, G. Ross, D. Petroski, H. MacLeod, M. MacDonald. An enthusiastic group that's ready to go places and do things.

The Monogram Club

Once again in 1955 the Monogram Club at V.C. came back into existence after an absence of three years. This year the club is under the moderatorship of athletic director, Bro. Hickey. George Hoar was elected president, while Henry Lapointe and Harry MacLeod were elected as secretary and treasurer, respectively. The club supports a membership of around 35 members. The club this year is really being the pioneer as it is trying to

settle a definite constitution for the Monogram Club in the future to follow. They thus far have started a "V" day on which all members of club wear their white or purple letterman sweaters to school. This day was decided as Wednesday of every week. They also will in the future act as ushers at school functions. The members discipline all misdemeanors regarding the rules in the wearing of letters.

THE OFFICIALS of the club: Harry MacLeod (Tres.), George Hoar (Pres.), and Henry Lapointe (Secretary).

MEETING in session. George Hoar presiding, with Henry Lapointe keeping the minutes of the meeting.

Student Senate

A Responsible Group

In the latter part of November the Senators were elected for the third term of the Student Senate. These 20 members immediately set to work in organizing the Senate activities for the coming year.

However, this year the eight members from Grade 12 formed four teams and began to campaign for presidential and vice-presidential positions in the Senate. The nominees, Archie McDonald and Dave Steele, Dave Dumaesq and Bob Macdonald, George Hoar and Henri Lapointe, Gerry Testar and Terry O'Hara, set up committees to further their election plans.

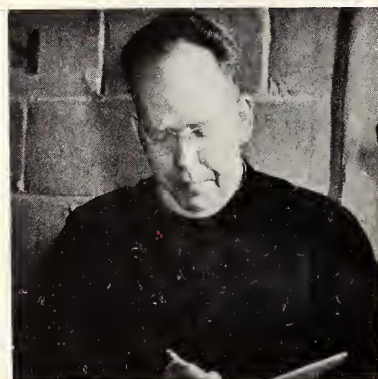

The purpose of the Senate this year was: (a) To aid the faculty in maintaining school discipline and enforcement of school regulations; (b) To promote athletic and social activities within the school; (c) To undertake and sponsor worth-while projects in the school; (d) To represent the students in student-faculty relations.

This year under the direction of Br. Reilly, Archie McDonald and Dave Steele, the Student Senate has again done its job well and deserves great credit.

STUDENT SENATE (front): R. Brunelle, H. Lapointe, D. Steele (Vice-President), A. MacDonald (President), P. Durkin (Secretary), D. Seymour, R. McKinnon. (Back): N. Oddy, T. O'Hara, R. Macdonald, N. Martin, H. Eddy, D. Dumaesq, G. Hoar, T. Whelan, D. Bileski, and F. Oduber.

SENATE MEETING (r-l down the rows): D. Steele (V.P.), D. Dumaesq, G. Testar, R. Brunelle, D. Bileski, G. Hoar, P. Howes, F. Oduber, H. Eddy, P. Howes, R. MacDonald and D. Seymour listen to Archie MacDonald (Pres.) before voting as N. Oddy (Scribe) and Pete Durkin (Sec.) look on.

OFFICIALS: Pete Durkin, Archie McDonald, Norm Oddy, Dave Steele (not in picture).

BR. REILLY, SENATE MODERATOR.

20-20 Vision

... what does it mean? Simply that at a distance of 20 feet your vision is "normal" as regards ability to see and distinguish objects.

Having 20-20 vision may mean but little to you (or to your child) when it comes to the adequacy of vision at 16 inches. A complete vision test includes visual efficiency at both near and far, as well as examination for eye diseases, and many other things.

TRACK GETS LATE START

This year marked the first time in many years that V.C. fielded a high school track team. Bro. Cobb, coach of the team, was anxious to make track one of the sports attractions here as it used to be in the past. Turnouts for the team were encouraging with about twenty-five thin-clads donning uniforms. With the exception of four Seniors, Terry Rollins, Dick Dyer, Dave Steele, and Bill Cain, the team is composed entirely of underclassmen who will have at least two more years of competition. The only representative of Grade Eleven is Ernie Puil, potential quarter-miler. The majority of the team is composed of Grade Ten men with such names as Tom Bird, Don Flahiff, Leo Savoie, Paul Joyce, Rick Abbott, John Oster, Ray Brunelle, and Peter Durkin. Grade Nine has four representatives on the team, Larry Wensley, Ed. McDaniel, John Bell, and Ron McKinnon.

A lack of meets in the Vancouver area limited the team's activities to two main meets, The Vancouver Relays and K. of C. Catholic High School Meet. During the summer months, however, there will be three or four additional meets which individuals will compete in.

SENIOR TERRY ROLLINS, sprinter, broad jumper, and pole vaulter, rises high in the air to qualify for a place in the Vancouver Olympic Club Meet of this year.

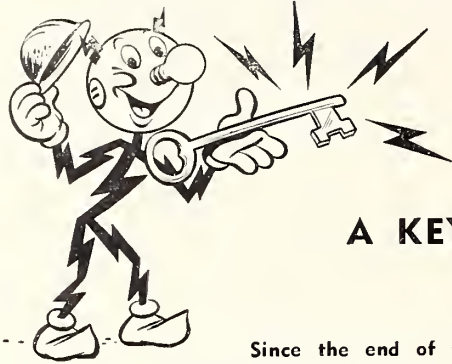

SPEEDY DON FLAHIFF takes his mark in the High School Championship Quarter Mile Relay at the Vancouver Relay Meet last May. Don ran against competitors from most of the high schools in B.C. and Washington.

JOHN BELL, Grade nine half-miler, finishes up as anchor man on the College Sprint Medley Relay team.

SPRINTER TOM MOON breaks the tape in a speedy 10.2 seconds for the 100 yard dash. Tom's fastest time for the hundred this year was an almost record-shattering 10 seconds flat. An achievement of which he can be proud.

A KEY TO YOUR FUTURE

Since the end of the war, the remarkable industrial expansion in this province has created greater job opportunities for ambitious young men and women in B.C.

One of the keys to the continued growth of industry here is an ample supply of low-cost electricity.

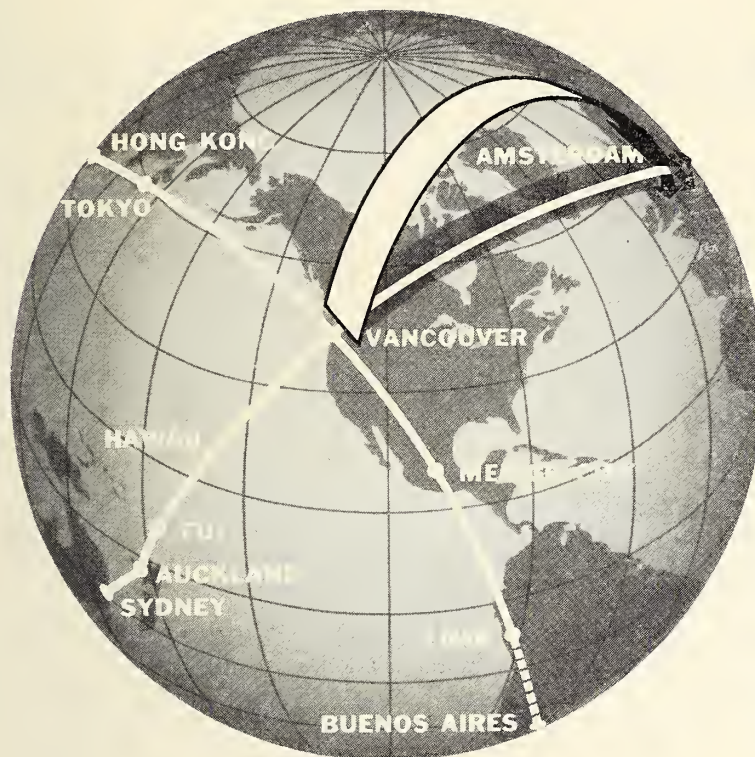

To make sure that there is plenty of electricity for industrial development and for all those new electrical appliances in our homes, the B.C. Electric plans and builds well ahead of demand.

By 1957, when construction of the Seton Creek and Cheakamus generating plants are finished, the capacity of the Company's Lower Mainland system will have increased over 3½ times in the ten years since 1948.

COUNCIL CAPERS provided fun and entertainment for all. Student Council sponsored this annual affair, one of the best this year. Highlight of the evening was election of the Queen. Joan Begg of Little Flower Academy topped all other nominees for the evening. She is reigning here with her "King," the Student Senate choice, Dave Petroski.
